

Direct Payment Plan

With the Menasha Utilities Direct Payment Plan you can have your payment made automatically from your checking or savings account. And you won't have to change your present banking relationship to take advantage of this service.

The Direct Payment Plan will help you:

- Save time – fewer checks to write
- Meet your commitment in a convenient and timely manner, even if you're on vacation or out of town
- Maintain good credit; your payment is always on time with no lost or misplaced statements, or late charges
- Save postage

Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments to be made from your checking or savings account. Then, just sit back and relax. Your payments will be made automatically on the due date. And proof of payment will appear with your statement.

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.

The Direct Payment Plan is dependable, flexible, convenient and easy. Take advantage of this service by completing the authorization form and returning it to us as the address listed below.
