

SUPPORT PROJECT SHARE

Dear Customer:

At this time each year Menasha Utilities reaffirms its commitment to our local community by asking you to be a contributor to the **PROJECT SHARE FUND** which is administered by a local charity-LEAVEN. People like you have given generously to help people who are experiencing financial difficulties and have no other alternative available for meeting their energy bills. Thanks to your help, in the past ten years this program has provided energy assistance to thousands of customers in Menasha and the number of people in need keeps increasing as a result of the economy. The money donated helps real people; a neighbor, a friend or another family in our community.

- ✔ All Project Share Fund donations are tax deductible.
- ✔ The Project Share Fund receives all donations and pays for client assistance.
- ✔ Menasha Utilities customers can help assist local families facing energy emergencies by designating your intentions on the form below. Options include a monthly or annual contribution to **PROJECT SHARE FUND**. All disbursements from the fund are authorized by LEAVEN, a charitable organization based in Menasha.

Read this story from LEAVEN:

Evan, a 19-year-old, has been working relentlessly to support his mother, Karen, who is 46 and dealing with medical issues. His dedicated care has been crucial in keeping their family afloat. They reached out for help with their utilities, facing a potential disconnection. Together with Menasha Project Share and LEAVEN, they were able to pay down the entire outstanding balance, giving them a fresh start. Additionally, Karen was referred to Energy Services to apply for support for the upcoming heating season, ensuring continued assistance for their family.

Please share with those experiencing financial emergencies by completing the contribution section and mail it to **Menasha Utilities, P.O. Box 340 Menasha, Wisconsin 54952-0340, or drop it off at our office at 321 Milwaukee Street**. Thank you so much for supporting Project Share.

Sincerely,
Melanie Krause, General Manager
