

SAVE BIG ON YOUR HOME ENERGY PROJECTS!

Make your home more comfortable and energy-efficient with valuable rebates and assessments through the Inflation Reduction Act (IRA) and Focus on Energy.

You can combine IRA rebates with Focus on Energy rebates and tax credits for extra savings on home improvements like insulation, heating, and cooling upgrades. Here's how you can start saving:

- **Complete a Home Energy Assessment**
This assessment identifies how efficient your home is, highlights areas for improvement, and models potential energy savings.
- **Get Expert Guidance**
A certified trade ally will help you understand eligible upgrades, estimate energy savings, and guide you through the rebate process.
- **Claim Your Rebates**
Your potential rebate is based on predicted energy savings and household income. Learn what you qualify for and start saving!

Use the Focus on Energy **Get Started Tool** to check your eligibility and maximize your savings.

FIND A QUALIFIED TRADE ALLY

To get started, find a certified trade ally to conduct your assessment. Visit Focus on Energy's Trade Ally Finder to search by location and service.

Reminder: Focus on Energy's Incentive program can be used in combination with the Menasha Utilities program, allowing you to maximize your potential savings.

Learn more and get started today: Visit Focus on Energy's Home Energy Rebates Page for detailed program information.

PROGRAM INFORMATION & REQUIREMENTS

PROGRAM CRITERIA

The assessment will help identify what improvements will lower your energy costs and improve your overall comfort.

For a limited time, Menasha Utilities residential customers that complete a qualified Home Energy Assessment can receive up to a \$200 incentive. Complete and return the form below with a copy of the invoice from a certified Focus on Energy trade ally.

PROGRAM BENEFITS

- **Home Efficiency Evaluation**
Get a clear picture of how efficient your home is and pinpoint areas to improve.
- **Energy Savings Prediction**
See how much energy (and money!) you could save by making energy-efficient upgrades.
- **Access to Eligible Rebates**
Your assessment identifies rebates and upgrades your home qualifies for, so you can confidently plan your project.

IMPORTANT PROGRAM REQUIREMENTS

To receive a Menasha Utilities rebate:

- You must be a Menasha Utilities customer.
- This rebate cannot be used in combination with a Focus on Energy IRA HOMES Rebate that is fully reimbursed.

HOME ENERGY ASSESSMENT INCENTIVE*

To request your bill credit, return this completed form with a copy of your receipt to our office.

Customer Name (first, last)		Utility Account Number
Customer Address	City, State	Zip Code

Home Telephone #	Daytime Telephone #	Email address
	()	
Certified Trade Ally Name	Contact Phone Number	Home size (SqFt)

HVAC System (circle): Boiler Natural Gas Furnace Electric Heat Heatpump

Total CFM from Blower Door Test: _____ CFM

Available for assessments conducted in 2024 only. Completed form and copy of invoice must be received prior to December 31, 2025.

**Incentive will reimburse 50%, up to \$200.*

SIGNATURE (applications submitted without signatures will not be paid)

- I understand that this offer provides a \$200 incentive, to be received as a bill credit, for a qualified Home Energy Assessment at residences currently receiving electricity on a retail basis from Menasha Utilities.
- I agree that Menasha Utilities reserves the right to verify sales receipts before issuing incentives.
- I agree that Menasha Utilities does not guarantee that the inspection or the implementation of any energy efficiency measure described in this application will result in energy cost savings.
- I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-serve basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.
- I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application.
